Dear Nabil:

On behalf of the Ehdn Lebanese American Club, I would like to take this opportunity to thank you for all the support you have provided our organization to market our festival (The Mahrajan) on your web site. The listing of our event on your site has allowed us to reach many in the Tri-state and New England region. Our exposure will help us reach the multitudes of people that may have interest in supporting our organization in promoting our culture, educating our youth, and in giving back to this great country.

It is our understanding that the monetary value of your service is \$2000.00 of that \$1975.00 is the appreciated in-kind donation. We are a non-profit registered organization with Federal Tax-Exempt status, 22-2510064.

We are grateful for your support and looking forward to working with you in the future.

Sincerely Yours,

Robert Macari
President of the Ehdn Lebanese American Club
